Mr. Moore

Dedication

There is no one that deserves more to be called "Mr. Co-operation" than our principal, Mr. Kenneth Moore. In all schools there is a person who takes the lead in improving the school and developing its students. Mr. Moore more than adequately fulfills this role. Working with and for such organizations as Student Council, he has helped create a better, stronger, and deeper feeling of pride for Central, its teachers, and all that Central stands for, be it sports, scholarship, or other activities. To you, Mr. Moore, we dedicate this yearbook.

The Wildcat Staff of 1962 would like to introduce, "Willy, the Wildcat," your guide for our year at Central.
